

## Gaelic Players Association (GPA)

The GPA is the representative body for inter-county hurlers, footballers, camogs and ladies' footballers, supporting over 4,000 current and former players across the four core pillars of Representation, Welfare, Development and Equality. The GPA is dedicated to investing in a better and more sustainable future for inter-county players and provide services and support in the areas of Dual Career, Life Skills, Transition and Wellbeing. The GPA is also focused on promoting gender equality in sport, and equal investment, recognition, and opportunities for female county players across Gaelic Games.

### Our Purpose

We support players throughout their careers and post career under three key pillars:

1. Represent the interests of all our players
2. Protect their welfare on/off the pitch
3. Support their development as people

**The Association is now seeking to recruit two positions for the organisation:**

- **Project Co-ordinator**

Reporting to the COO the successful candidate will work closely with all staff, project team members and leaders to deliver major organisational projects efficiently. The role specialises in the co-ordination and managing of different activities related to the development, planning, implementation, and evaluation of key projects.

This role will require working regularly with all members of staff to prepare comprehensive action plans, including resources, timeframes and budgets for projects to achieve sustainability and success in accordance with defined targets, strategies and goals.

**Working hours:** Full Time, 37.5 Hour working week. This role requires flexibility and will entail out-of-hours working. This role offers hybrid working.

- **Player Development Manager**

As Player Development Manager your role is to promote the personal and professional development and wellbeing of players through empowering them to take ownership of their own development both on and off the pitch. Working closely with players you will help them achieve their goals and success in life.

This role involves working closely with all GPA staff, project team members and leaders to deliver player development programmes to players while identifying player educational /career and development needs.

**Working hours:** Full Time, 37.5 Hour working week. This role requires flexibility and will entail out-of-hours working. Hybrid working.
