Mortgage Webinar

More than 40 GPA members joined us live for our recent Mortgage Webinar delivered in partnership with Fairstone Financial Advisory.

The one-hour session provided practical guidance on every stage of the mortgage journey, from understanding borrowing capacity and deposit requirements to navigating the application process and avoiding common pitfalls. Members also had the opportunity to put their questions directly to mortgage experts during a live Q&A.

Whether members were preparing to buy their first home or simply planning for the future, the webinar offered clear, practical advice to help them make informed financial decisions with confidence.
